

LUMS AT **A GLANCE**

Established in 1985 as a private, not-for-profit university, LUMS is one of South Asia's top academic institutions known for its commitment to outstanding learning, research intensity, and teaching excellence. It is renowned for its exceptional academics and quality, emphasising access, relevance, and collaboration, with an increasing focus on tackling the major challenges confronting the Global South.

LUMS is also expanding access through its digital learning platform, LUMSx, which provides a range of large-scale, world-class pedagogical innovations.

A comprehensive university with

5
schools

Students from

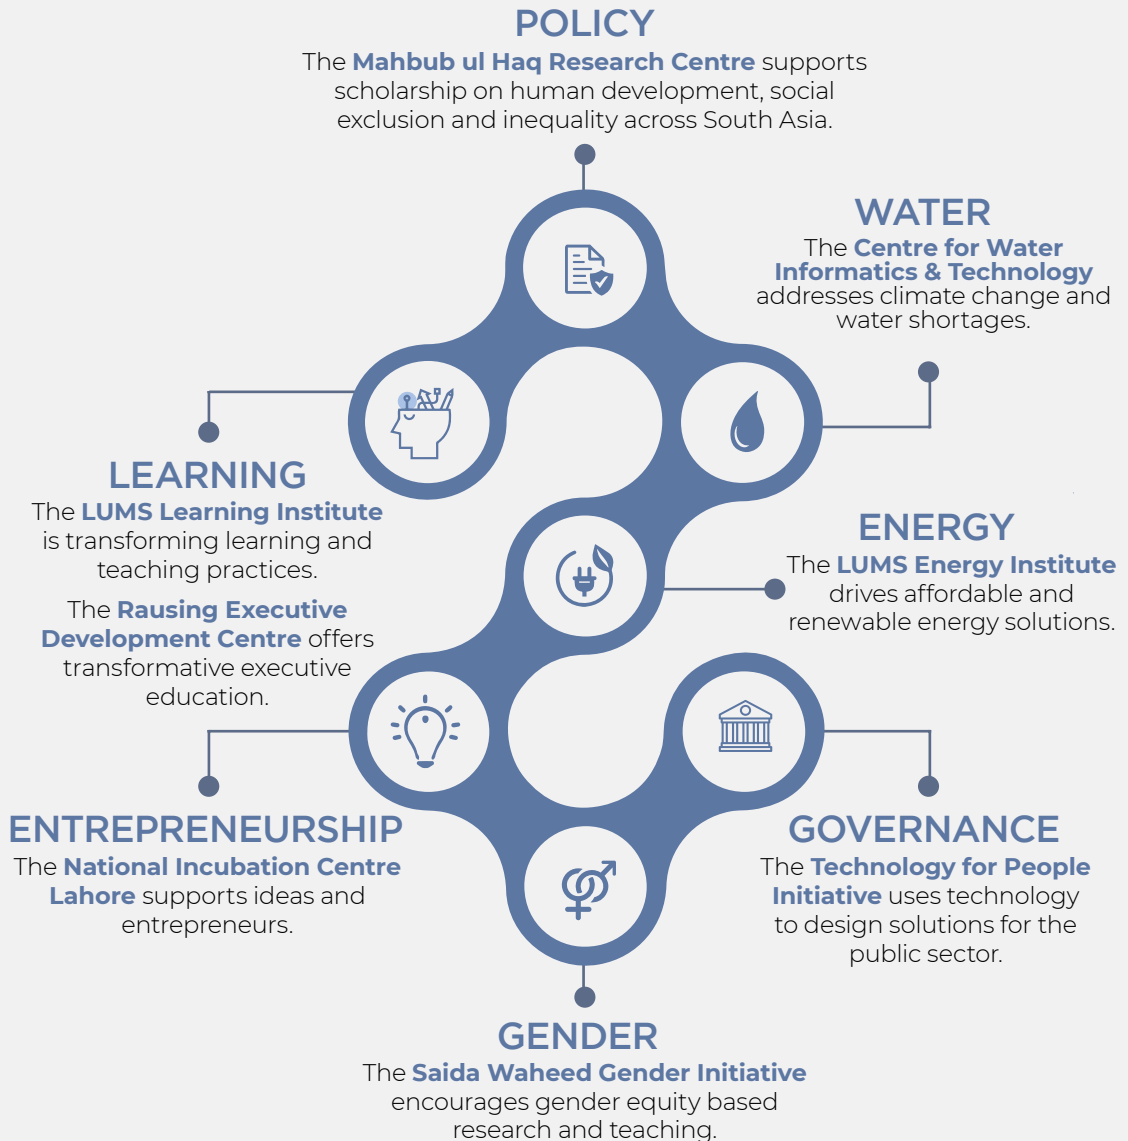

145
cities, towns and
villages across
Pakistan

17,000
alumni spread across
57 countries

ADDRESSING GRAND CHALLENGES WITHIN THE REGION AND BEYOND

Over a dozen centres across the University are working together to tackle the biggest issues of our time.

THE LUMS EXPERIENCE

LUMS is the perfect place to experience campus life!

5,485

students

55

student societies

42%

students are female

As a pioneer of the case-based methodology in Pakistan, experiential learning has emerged as a distinctive approach at LUMS.

Pedagogical partnerships allow students to curate their own learning experience

Collaborations with local and international partners and universities open up exciting and varied avenues for learning

As a **Harvard Business Publishing** content partner, the University has contributed over 800 indigenously developed case studies on local industry

THE FIVE SCHOOLS AT LUMS ARE RECOGNISED FOR **INTERDISCIPLINARY TEACHING EXCELLENCE AND RESEARCH QUALITY**

Suleman Dawood School of Business (SDSB)

The only AACSB accredited business school in Pakistan, SDSB is the pioneer of the case method of learning in the country, and adds blended and experiential learning to its pedagogy.

Mushtaq Ahmad Gurmani School of Humanities and Social Sciences (MGSHSS)

Consisting of two departments: Economics, and Humanities and Social Sciences, the School has an innovative Core Curriculum, which features a strong liberal arts component.

Syed Babar Ali School of Science and Engineering (SBASSE)

Following a 'no boundaries' philosophy, SBASSE is the hub of ground-breaking research to develop solutions to complex local and global problems.

Shaikh Ahmad Hassan School of Law (SAHSOL)

SAHSOL is the first law school in Pakistan to provide an integrated programme of liberal arts and professional law training, culminating in a five-year BA-LL.B degree.

Syed Ahsan Ali and Syed Maratib Ali School of Education (SOE)

The School is working to produce strategic leaders who can reform the education system in the country, through a focus on research, policy and practice, and extensive field engagement.
